

Your 2025-2026 FAFSA was selected by The Department of Education for review in a process called "Verification". In this process, we are required by federal regulations to verify certain data elements. Any corrections that need to be made to your original FAFSA will be done electronically by our office. These corrections will trigger a revised FAFSA Submission Summary from The Department of Education.

**Complete this form and submit via our [Verification Uploader](#) as soon as possible so your financial aid will not be delayed. Do not leave anything blank.**
