

Your application was selected by The Department of Education for review in a process called “Verification”. In this process, we are required by federal regulations to verify information from your 2021-2022 FAFSA submission. Any corrections that need to be made to the original FAFSA data will be done electronically by our office. If any corrections are made to the original FAFSA data, you will receive an updated Student Aid Report (SAR) from The Department of Education.
