[college.harvard.edu/financial-aid](https://college.harvard.edu/financial-aid)

Harvard's financial aid program is **need-based**. We meet **100% of your demonstrated financial need for all four years**, based on information that we receive from your family each year. In awarding aid, our financial aid officers will work closely with you and your family to determine your demonstrated need and your family's expected contribution. **100% of our students can graduate debt-free without taking out loans.**

We offer the exact same financial aid support for families regardless of their citizenship or nationality.

A lack of financial resources or need for financial aid are not impediments to your admission.
