for study, travel, & service
each year

ADMISSION REVIEW

FINANCIAL AID & AFFORDABILITY

- Harvard financial aid is **need-based** and admissions is **need-blind**.
- **100%** of demonstrated need is met.
- **25% of Harvard college families** pay nothing to attend.
- **86% of U.S. families** would qualify for financial aid.
- **55%** of students receive financial aid.
- There are **no student loans** required. **100%** of students can graduate debt free.

\$100K* and under

Families with total incomes \$100k* and under **will pay nothing** to attend Harvard

\$100K - \$200k*

Families with total incomes between \$100k-\$200k* **receive free tuition, with additional aid likely**

\$200k* and over

Families with incomes above \$200k* **may still qualify for financial aid**, depending on individual circumstances

Families at all income levels who have significant assets are asked to pay more than those without assets. Estimate your cost of attendance by using our **Net Price calculator**.

**All amounts are in USD*
