Your application was selected by The Department of Education for review in a process called “Verification”. In this process, we are required by federal regulations to verify certain information from your FAFSA application.

On your 2017-2018 FAFSA you reported that a member of your parents’ household received benefits from the Supplemental Nutrition Assistance Program or SNAP (formerly known as the Food Stamp Program) sometime during 2015.

We are required by the Department of Education to verify this information.

Complete this Verification form and submit it with supporting documentation to our office as soon as possible so that your financial aid will not be delayed.
